

1982 INDEX TO SECURITY WORLD ARTICLES

The annual index of the magazine's feature articles is offered as a reader service for reference and research.

TITLE

A Delicate Balance: The Need for Security and the Limits of Liability. Feb., pp. 22-26.

Adding Access Controls to Central Station Monitoring. May, pp. 24-27.

Arresting Computer Crime with Security Software. Sept., pp. 33-35.

Basic Fire Protection for EDP Facilities. Sept., pp. 45-47.

Developing a Security Awareness Program. Marshall M. Meyer. Nov., pp. 32-34.

Employee Fire Brigades Can Help Shield Your Facility. Mar., pp. 26-30.

Equipment Focus: Computerized Interated Systems. July, pp. 36-38.

Detector Multiplexing. Jan., pp. 40-43.

Dry Chemicals for Special-Hazard Fire Protection. Mar., pp. 32-35, 41-42.

Emergency Communications Systems. Aug., pp. 31-33.

Patrol Vehicles. June, pp. 50-53.

Smoke Detectors. May, pp. 40-43.

Technical Surveillance Countermeasures. Feb., pp. 32-35.

Video Recording Systems. Apr., pp. 42-44, 49-50.

Filling Fire Protection Needs for a 47-Acre Catalog Center. Feb., pp. 36-38.

Forecasting Thefts Through the Use of a Data Base. Sept., pp. 38-42.

Harnessing the Computer to the Task of Loss Prevention. Saul D. Astor. Sept., pp. 48-50.

International Security Conference and Expo Seminars & Exhibitors. Chicago: May, pp. 52-53, 55-68.

Los Angeles: Jan., pp. 46-47, 49-50, 61-68.

New York: Aug. pp. 48-49, 51-66.

ISC Expo Storms Into the Windy City. Apr., pp. 46-47.

Microwave Monitoring Works When Cable Won't. May, pp. 35-37.

Mini-Ambulances: A Major Asset in Emergency Planning. Mar., pp. 36-38.

New Private Security Training Institute Founded. Jan., pp. 52-53.

Outdated Documents Still Demand Security. Sept., pp. 52-54.

Prescription for Increased Security. June, pp. 26-30.

Public, Private Security Knowhow Combine for Resort Protection. Claude J. Sunderman, Jr. June, pp. 33-35.

Radio Telemetry Provides Security for a Rural Campus Setting. May, pp. 30-32.

Roundtable: Getting the Most from Your Guard Program. Nov., pp. 25-30.

Do you need a more specific breakdown of product categories? If so, order *SDM's "Buyers' Guide,"* available at a special discount rate of \$20 if you order before March 1, 1983.

Screening Survey Response: Experts

Exchange Ideas. Apr., pp. 38-41.

Securing Against Liability in Data Processing Management. Fred M. Greguras. Feb., pp. 28-30, 41-42.

Securing High Traffic Areas. Aug., pp. 26-29.

Security at Anheuser-Busch. Aug., pp. 36-39.

Security Pros Strike Paydirt at ISC and ASIS Seminars. Nov., pp. 36-39.

Special Report:

How to Select An Alarm Company. Oct., pp. 29-65.

Industry Trends: A Decade of Change for Security. Jan., pp. 19-34.

Integrated Systems. July, pp. 23-33.

Survey: What Companies Are Doing About Screening and Testing. Apr., pp. 29-36.

The ATM Security Issue: How Much Surveillance. Oct., pp. 69-71.

The Largest ISC Expo Returns to New York. July, pp. 40-41.

The Source: 1983 Guide to Security Products and Services. Dec. issue.

Tightening Trade Show Security With Guards. Aug., pp. 42-44.

20 Questions on Risk Management. May, pp. 45-50.

UL Labels for Safes — Understanding and Using the System. Jack V. Schultz. June, pp. 38-41, 55-56.

Video Takes the Chance Out of Playboy Casino Security. June, pp. 44-46.

Word Processing: Another Consideration for Security. Daniel E. McElroy. Sept., pp. 56-58.

SUBJECT

ACCESS CONTROL

Adding Access Controls to Central Station Monitoring. May, pp. 24-27.

Securing High Traffic Areas. Aug., pp. 26-29.

ALARM SYSTEMS

Equipment Focus: Detector Multiplexing. Jan., pp. 40-43.

Microwave Monitoring Works When Cable Won't. May, pp. 35-37.

Radio Telemetry Provides Security for a Rural Campus Setting. May, pp. 30-32.

Special Report: How to Select an Alarm Company. Oct., pp. 29-65.

BANK SECURITY

The ATM Security Issue: How Much Surveillance. Oct., pp. 69-71.

CLOSED CIRCUIT TELEVISION

Equipment Focus: Video Recording Systems. Apr., pp. 42-44, 49-50.

COMMUNICATIONS

Equipment Focus: Emergency Communications Systems. Aug., pp. 31-33.

COMPUTER/DATA SECURITY

See also Fire Prevention and Detection, Liability.

Arresting Computer Crime with Security Software. Sept., pp. 33-35.

Word Processing: Another Consideration for Security. Sept., pp. 56-58.
